# About us

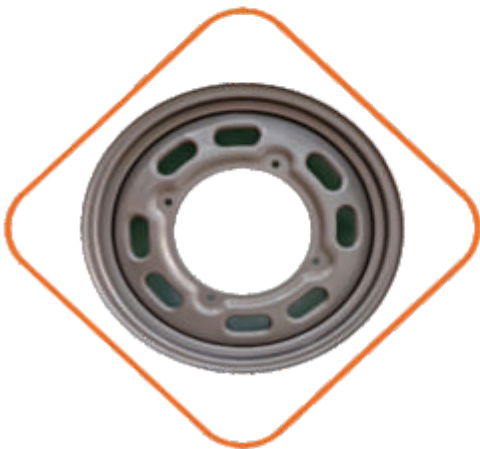

- ▶ Luthra motors was established in 1991 to Manufacture Sheet metal components for two wheelers. Since then it has proved itself as a quality manufacturer of automotive spares in all sectors as agriculture , 2,3 wheeler and commercial.
- ▶ We are a family run enterprise with backbone of technical heritage as our founder and vision leader Mr. Ashok Luthra has been contributing to automotive sector for last 50 years from being in core team of ESCORTS tractors in their establishment days to building a quality focused manufacturing enterprise.
- ▶ Total work area covered is 22000 sq. feet. In which complete conversion of raw material into final products takes place including packaging and dispatch.
- ▶ We have a work force comprising talented designers , engineers , managers who work day in and out to provide customer satisfaction with highest quality of products.
